

**Gamers for Giving 2011
Call of Duty Black Ops Tournament**

Gamers for Giving 2011 will feature a double elimination, 4 vs 4 Call of Duty Black Ops tournament, played on the Xbox 360. \$1,000.00 will be awarded to the team that finishes in 1st place.* \$500.00 will be awarded to the team that finishes in second place.* The tournament will seat a maximum of 32 teams. Registration for the Black Ops tournament costs \$100.00 per team.

Players may check-in for the event at 10:00 AM. Once checked in, players will be able to warm up on the tournament stations until 12:30 PM. The tournament will begin promptly at 1:00 PM.

The tournament will be double elimination (teams must lose two matches to be eliminated). Each match will be based on a 'best of three games' format – Capture the Flag, Domination, and if necessary, Search and Destroy. The first team to win 2 of 3 games will move on through the tournament. The team that loses its match will be placed in the loser's bracket, or face elimination if already in the loser's bracket.

Players must bring their own WIRED Xbox 360 controllers. Controllers will not be provided at the event. Consoles, game discs and monitors will be provided. We will be utilizing the LAN setting in Black Ops. Players will be able to create custom classes prior to their match.

The first four rounds of the tournament will be played split screen. At the start of the fifth round, all stations will be switched to full screen.

* Prize pool is based on a minimum number of 20 teams competing in the Black Ops tournament. If the minimum is not met, the prize pool will be re-adjusted. Prize pool is derived from player entry fees.
